

Vocabulary Illustration

Choose ONE word from the opposite page to create a vocabulary illustration. Your illustration must include the following:

1. Create pictures incorporating the letters of the word which show the meaning of the word. At least 4 letters must be made into pictures, including an explanation for each letter describing how the picture relates to the meaning of the word.
2. Write the definition of the word across the top of the paper.
3. Include at least 3 other vocabulary words AND explain how your chosen word relates to the other vocabulary. At least ONE other vocabulary word must have a picture.
4. Your picture **MUST** be **FULLY COLORED!!**
