

Cell Parts: Diagrams

Directions: Correctly label the cell parts below using the words from the Word Bank. Each word will be used twice (once in the animal cell and once in the plant cell) except for 'cell wall' and 'chloroplast' which will ONLY be used in the plant cell. Color each cell part according to the key. Use textbook p. 524-525.

Word Bank

Cell Membrane – light blue
 Cytoplasm – yellow
 Nucleus – purple
 Cell Wall – brown

Nuclear Membrane – orange
 Mitochondria – blue
 Vacuoles – white
 Chloroplasts – green
